Sir:

On November 6, 2006, a petition under 37 C.F.R. §1.47(a) was submitted in response to the Notification of Missing Requirements Under 35 U.S.C. § 371 in the United States Designated/Elected Office (DO/EO/US) mailed on April 5, 2006, based on inventor Meyer's refusal to join in the application.

Since that time, the assignee held a meeting and reached agreement with the inventor regarding the alleged monies owed, and the inventor Meyer provided an executed inventor's declaration. The executed declaration is attached hereto (see pages 1-3 and 6).

It is respectfully requested for the petition under § 1.47(a) to be granted, and subsequently for the non-signing inventor to be joined pursuant to the submission of the declaration herewith. See MPEP 409.03(i).

Should the Petitions Officer have any question of form or substance, he or she is encouraged to contact the undersigned attorney at the telephone number and address listed below.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
